*Leadership Secrets from the Special Forces* Anthony Middleton, Jason Fox, Matthew Ollerton, Colin Maclachlan, 2016 Are you up to the challenge of SAS leadership? Only the best will succeed ... Britain's SAS (Special Air Service) has an unparalleled reputation for soldiering excellence. Its members are famed for their bravery, resilience and professionalism. They are the best Special Forces operatives in the world. The skills and techniques of the SAS have been perfected in the most demanding environments imaginable, but many of these can also be used in our everyday lives. Each this book's four authors - the stars of the hit Channel 4 series *SAS: Who Dares Wins* - has gone on to have a successful career outside of the Corps. This book takes situations all of us will experience during our lives and presents tactical lessons drawn from SAS training and battlefield experience. Middleton, Fox, Ollerton and Maclachlan demonstrate how their finely honed understanding of how to handle extreme challenges can be applied in any environment: the workplace, home, pub, classroom, gym, stressful car journey, doctor's waiting room and packed train carriage. Their advice on negotiation, people management, self-motivation and resilience, among other things, can transform your performance in a whole range of scenarios: from buying a house, nailing a job interview, and the experience of dealing with rejection, to maintaining a diet, or managing that pushy colleague at work. This is the ultimate guide to leadership and personal achievement.
